

Cab-Sider Vehicle Lift

This easy to use product lifts and stores your unoccupied folding manual wheelchair inside the cab of your pickup truck at the touch of a button. Simply connect the docking device, push a button on the hand-held pendant, and let your Cab-Sider do the lifting for you. Pickups define independence... keep yours with Bruno!

Highlights:

- Fully Powered - Makes lifting and storing your folding manual wheelchair inside the cab of your pickup virtually effortless (90 lb/41 kg lifting capacity)
- Available for passenger or driver side of vehicle
- Safe/Reliable - lifecycle and strength tested beyond industry standards
- No structural modifications to your vehicle - can be easily removed for vehicle resale
- Can reinstall in your next pickup truck
- Available for many different pickup trucks (click here to check with your local Bruno dealer to confirm compatibility with your vehicle)
- Custom, vehicle-specific mounting kits are available for an extra clean and precise installation
- Bruno Turning Automotive Seating™ (TAS™) complements your Cab-Sider for a total mobility solution
