

Century Series Lift

The Century Series is an economical solution to your personal mobility. The ingenious design of this lift allows for installation in the side or rear doors of domestic full-size vans. With dual hydraulic lifting arms, you'll come to rely on the lift's strength and dependability day after day, year after year.

The Century Series lifts are fully hydraulic in operation, for both the fold/unfold and up/down cycles. Lift operation is controlled by the standard hand-held control, the on-lift controls, or the optional remote control.

The Century Series is designed for installation in the side or rear doors of domestic full-size vans. To make your travels more enjoyable, each lift features Braun Quiet Ride™ system to ensure the quietest possible riding environment.
