

## Pow'r Topper Power Tilt Cap

This unbelievable product enables you to tilt the cap on your pickup truck from the cab, at the touch of a button, to allow bed storage for your manual wheelchair, scooter or powerchair. Once loading (using Bruno's Out-Rider® lift) is complete, the cap closes, keeping all cargo safe from theft and outdoor elements.

### Model PCL-1900 Highlights:

- Fully Powered - The cap tilts up and down by pressing a button on the hand-held pendant
- Available for passenger or driver side of pickup truck
- Safe/Reliable - designed for years of worry-free operation
- No structural modifications to your pickup truck - can be removed for vehicle resale
- Can reinstall in your next truck
- Pre-assembled Ranch brand caps with Pow'r Topper framing are available through Bruno for a clean and precise installation
- Works with a variety of pickup trucks (click here to check with your local Bruno dealer to confirm compatibility with your pickup truck)
- Sales, installation and service provided by our factory-trained worldwide network of dealers
- Bruno's Out-Rider® Lift and Bruno Turning Automotive Seating™ (TAS™) complement the Pow'r Topper for a total pickup truck mobility solution
