

## Q-5000

The original integrated 4- point system. The Q-5000 was the world's first fully integrated 4-Point wheelchair securement system. It provided wheelchair passengers with an unprecedented level of safety and has been successfully used all over the world for over 25 years.

### Features and Benefits :

- Manual Tensioning – Cam & over-center buckle design ensures maximum passenger safety.
- Universal Design - accommodates virtually all wheelchair designs, including scooters
- Durable – constructed from hardened steel and coated in zinc for maximum corrosion resistance
- J-Hook - reduce twisting of belts and ensure proper securement with a quarter turn

### Specifications & Details:

- Compatible Anchorages - L-Track and A-Track and Flat-Hook floor anchorages
- Warranty – 2 years
- Tested - crash tested to 30mph, 20 g's
- Meets or exceeds the following standards and regulations:
  - SAE J2249
  - ISO 10542
  - FMVSS 209, 302, 210, 222
  - CMVSS 209
  - CSA Z605
  - AS 2596
  - ADA
