

## QRT Standard

For a budget-conscious retractor solution. The QRT Standard is an economical retractor system to help meet minimum specifications and cost-conscious budgets without sacrificing safety.

### Features and Benefits:

- Single Tensioning Knob - Safely secures wheelchair and occupant in under 10 seconds
- Positive Lock Indicator (PLI) - patented feature clearly indicates when fitting is locked in anchorage (L-track application only)
- Interchangeable - Eliminates confusion; no right, left, front or rear locations
- Low Profile & Compact - No mounting bracket allows retractors to fit under most footrests and reduces overall retractor length to help accommodate larger wheelchairs
  
- Universal Design - accommodates virtually all wheelchair designs, including scooters
- Durable - constructed from hardened steel and coated in zinc for maximum corrosion resistance
- J-Hook - reduce twisting of belts and ensure proper securement with a quarter turn
- Foot Release Lever - easy release eliminates the need to bend down
