

Scooter Lift Vehicle Lift

This easy to use product lifts and stores your unoccupied scooter* inside your vehicle at the touch of a button. Simply connect the docking device, push a button, and let your Wheelchair Lift do the heavy lifting for you!

Highlights:

- Power Raise/Lower and Manual Rotate Operation - Makes lifting and storing your scooter inside your vehicle virtually effortless (200 lb/90 kg lifting capacity)
- Lift folds down when not in use
- Easy, one button operation
- Docking device for your mobility device is included at no charge
- Safe/Reliable - lifecycle and strength tested beyond industry standards
- No structural modifications to your vehicle - can be easily removed for vehicle resale
- Can reinstall in your next vehicle
- Works with minivans, SUVs, CUVs, full-size vans and sedans
- Hundreds of custom, vehicle-specific mounting kits are available for an extra clean and precise installation
- Bruno Turning Automotive Seating™ (TAS™) complements your Scooter Lift for a total mobility solution
