

## Versa Shuttle

The VersaShuttle gives you on-demand transportation for the elderly or physically challenged while offering easy access to the vehicle.

With the VersaShuttle, Eldorado National delivers an affordable and highly versatile solution to paratransit vehicle demands. Hotel/motel operators, airport shuttle services and many others will immediately see the value of a vehicle that will accommodate wheelchair users, seniors and the mobility impaired.

### Standard Features:

- Raised fiberglass top. FMVSS 220 compliant
- Fiberglass headliner
- 1/2" plywood sub flooring
- Meets ADA and state specifications

The VersaShuttle provides passengers with a completely access-friendly entry door without compromising interior space.

### Popular Options:

- Ricon K-2004 clearview lifts
- 64" side ambulatory entry
- Altro transit flooring
- Interior lighting package
- Integrated wheelchair shoulder belts
